

# HAYES KNIGHT

Accountancy beyond the numbers

## Melanie Jenkin

Business Improvement Manager, BA, BCom, CA .

Melanie Jenkin is a Business Improvement Manager at Hayes Knight. Melanie has over seven years' chartered accountancy and business advisory experience and has worked with organisations ranging from those in their start-up phase, through to established organisations that need help planning their next stage of growth.

Melanie is passionate about business improvement and working closely with her clients assisting them in the following areas: costing and pricing, budgeting, financial modelling and cash flow forecasting, sustainable reporting, financial management, due diligence and profit and growth planning.

Melanie has also successfully coached a number of business owners and managers on how to improve financial performance, guiding them through important strategic decisions.
